

## **Supplier Code of Conduct**

OCI strives to conduct all business activities responsibly, efficiently, transparently, and with integrity and respect towards all stakeholders. This expectation extends to our suppliers and business partners. We therefore seek to award business to suppliers and business partners who are committed to act fairly and with integrity towards their stakeholders, who have adopted and promote the implementation of our or equivalent business principles as set out in this Supplier Code of Conduct, and who observe the applicable laws of the country in which they operate. While we conduct customary due diligence when engaging with business partners, it is the business partner's responsibility to maintain and enforce compliance within its supply chain.
